A meeting chaired by collector Hema Kanta Say was attended by officials of the Integrated Tribal Development Agency (ITDA) of Baripada, Kaptipada, Rairangpur, and Karanjia.

The collector directed ITDA officials to visit PVTG villages, engage with community members and educate them about the importance of PM-JANMAN by addressing their concerns and issues.

The PM-JANMAN programme will conclude on September 10 and focus on information, education, and communication to drive socio-economic development of PVTGs including Khadia, Mandia, and Lodha communities in the district.

Say also said 67 villages across 14 out of 26 blocks have been identified as inhabited by PVTGs.

Besides safety and security for PVTG families and other facilities, distribution of land rights (patta) under Forest Right Act, distribution of ration cards and Aadhaar card issuance and corrections will also be taken up under the programme.
